New information about the Competition Music to be uploaded

In 2019 the deadline to upload music will be 1 week before the competition (3 weeks after the deadline to enrol the dancers).

Deadlines:

IDO World Showdance Championships

To enrol dancers Friday, October 18, 2019
To upload music **Friday, November 8, 2019** - 12:00 noon Central European time.

IDO World Tap dance Championships

To enrol dancers Friday, October 26, 2019
To upload music **Saturday, November 16, 2019** - 12:00 noon Central European time.

Afterwards we download the music to make everything ready again for smooth and nicely running exciting IDO competitions in the SACHSENarena in Riesa, Germany

To ensure the music played in Riesa is of proper quality in such a big venue, the minimum seize of the MP3 should be 192 Kbit. Better would be 320 Kbit. Please make sure that the format you hand to be uploaded is matching these requirements.

➔ Please have a **backup** with you in case something does not work technically well with your music. *We only had one music-problem last year and they had a back-up and all went well.* A Backup is a MUST!

Your Team Captain should have the backup(s) by CD (only) at hand to be able to replace the music enrolled by DIES immediately by a CD if there is a problem. We don't accept USB-sticks because of virus problems last years.

Following IDO-Rules in 2019 all competitors must have the music uploaded when/after enrolled by DIES!

- Yes there will be **LIVESTREAM** (under www.ido-dance.com) from both IDO World Championships in Riesa, Germany
